Celebration Sri Aurobindo

Explorations of his creative word

Sponsored by Ministry of Culture, GOI

1,2,3 August 2023

Introduction:

The year 2022-2023 marks the 150 birth anniversary of the Mahayogi, Mahakavi, Sri Aurobindo. He is the harbinger of the New Consciousness, who, along with the Mother, has shown humanity, the next step in evolution on both the individual and collective levels. The world does not yet recognise the contributions and efforts by this luminary but his influence is slowly and steadily spreading over the entire earth in every field and arena of life. It only remains for us to discover this influence which only fulfills his vision given in his various writings.

This Literary Festival aims to explore these emerging trends and patterns in the world, which had their seed in Sri Aurobindo's writings.

Our Guiding Light

“In fifty years the whole world, all the receptive section of humanity (I am not saying intellectual, I am saying receptive), all the receptive section of the world will be embraced – not “embraced”: ABSORBED in the power of Sri Aurobindo's thought. Those who already are have the good fortune of being the first ones, that's all.”
